EUROPEAN REGULATION 2016/679 (GDPR)

Dear interested party, we wish to inform you that the European Regulation 2016/679 concerning the protection of natural persons with regard to the Processing of Personal Data, as well as the free movement of such data (hereinafter "GDPR") provides for the protection of individuals and other subjects with regard to the processing of personal data.

NECSY s.r.l., as the "Data Controller" of the processing, pursuant to Article 13 of Legislative Decree no. 196 of 30.06.2003 (hereinafter the "Privacy Code") and pursuant to Article 13 of the GDPR, provides you with the following information:

COLLECTION OF INFORMATION: NECSY s.r.l. will process the personal and identifying data (for example: first name, last name, company name, address, telephone number, e-mail, banking and payment details – hereinafter "personal data" or also "data") that you have provided by filling out the contact form, or when completing the Customer Registration form.

DATA CONTROLLER: The data controller is NECSY s.r.l. Via Armentera 8, 38050 Borgo Valsugana (TN), CF and VAT number 03597810278, contacted by telephone on 0461 753100 or by e-mail at privacy@necsy.it.

PURPOSE OF DATA PROCESSING AND LEGAL BASIS: The processing of personal data by NECSY s.r.l. is carried out exclusively for the following purposes:

- To provide the requested services.
- To manage commercial profiling activities.
- To proceed with subscription to the free newsletter.
- To provide educational and informational communications regarding products, services, or initiatives promoted by NECSY s.r.l. or its commercial partners, without this resulting in the transfer of the data to third parties.
- To cooperate with the competent Judicial Authorities for purposes related to the prevention and prosecution of crimes.

SHARING OF INFORMATION: Within the limits relevant to the purposes of processing indicated above, your data may be communicated to partners, consulting firms, or private companies, provided they have been appointed as Data Processors by the Data Controller. Your data will in no way be made public. The current Data Processors and persons in charge of processing are specifically identified in the Privacy Document, which is periodically updated and to which they receive appropriate training.

CROSS BORDER TRANSFERS: The data collected will not be transferred abroad.

RETENTION: The data collected will be retained for a period not exceeding the achievement of the purposes for which they are processed ("storage limitation principle," Art. 5, GDPR) or according to the deadlines established by law. Checks on the obsolescence of the data in relation to the purposes for which they were collected are carried out periodically.

DATA SUBJECT RIGHTS: The data subject always has the right to request from the Data Controller, at any time and without intermediation, independently and under their own responsibility, access to their personal data, the rectification or erasure of such data, the restriction of processing, or the right to object to processing, to request data portability, and to withdraw consent to processing. These and the other rights provided for by the GDPR may be exercised through a simple communication to the Data Controller by sending an email to privacy@necsy.it.

YOUR PRIVACY RIGHTS: You always have the right to request the Data Controller, at any time and without intermediation, independently and under his own responsibility, access to your data, rectification or cancellation of the same, limitation of processing or the possibility to oppose the processing, to request the portability of data, to revoke the consent to the processing by asserting these and the other rights provided by the GDPR through a simple communication to the Data Controller, by sending an email to privacy@necsy.it.

You may have the right to lodge a complaint with your data protection authority.

YOUR CHOICES: If you choose to not provide certain personal information (flag the box) you may not be able to proceed with the activity.

DATA PROCESSING METHOD: The personal data you provide will be subject to processing in compliance with the aforementioned legislation and the confidentiality obligations guiding the Data Controller's activities. The data will be processed using IT tools in accordance with appropriate technical and organizational security measures required by the GDPR, in a lawful and fair manner, for specific, explicit, and legitimate purposes, and not exceeding the purposes for which they were collected.
